

**Bulletin from Connecticut Department of Motor Vehicles
regarding classes in State and Federal regulations
affecting motor carriers.**

The Connecticut Department of Motor Vehicles (DMV) Commercial Vehicle Safety Division (CVSD) will be hosting monthly 3-hour seminars at Tunxis Community College to educate motor carriers about the numerous State and Federal laws/regulations that may affect motor carriers. These seminars are free for all Connecticut motor carriers. Seminars are scheduled to begin on 2/06/2018. If you have concerns regarding what DOT audits are and what may be inspected you need to attend. If you have questions regarding records and employee files/certifications you need to attend. This is an extremely valuable course, it is three hours of free instruction to help you properly structure your business as a motor carrier. You must pre-register for the class - please take advantage of it.

TO REGISTER:

Send DMV an e-mail at dmv.newentrant@ct.gov (Please enter "CLASS" in the subject line) Cancellations will adhere to the Tunxis Community College Schedule - Check the Tunxis website for school cancellations; <https://www.tunxis.edu/>.

DO YOU HAVE ANY OF THESE QUESTIONS?

- 1) Are you worried about being inspected roadside and/or unsure if you are compliant with the regulations?
- 2) Did you have a roadside inspection and learned you were not compliant with the regulations?
- 3) Do you know what regulations you are subject to?
- 4) Do you know the difference between Intra and Interstate DOT numbers?
- 5) Do you need a CDL?
- 6) Do you need a Drug and Alcohol Program?

Don't hesitate to take advantage of this program, chances are the classes will fill early. TRPC thanks the Commercial Vehicle Safety Division of the Department of Motor Vehicles for this opportunity.
