

## **Bulletin on The Towing and Recovery Association of America, Inc. (TRAA) all-new Towing & Recovery Support Certification Program**

The Towing and Recovery Association of America has introduced a new program that is keyed to towing and recovery operations at a vehicle incident. Information is available at <http://traaonline.com/trscp/>.

There are prerequisite training requirements keyed to the National Highway Traffic Safety Administration/Federal Highway Administration training in National Traffic Incident Management (TIM) Responder Training. This is the training TRPC offered at the Municipal Police Training Center in Meriden that many of you attended and received a certificate for.

Please check the TRAA site for all the details of this new program that is being offered.
